Make the right connection today... Plug into the Power of MODEx!

MODULAR WIRING SYSTEMS

Creating your own assemblies on-site can take days... even weeks!
Site cleanup and handling costs precious time and money.

Stack the odds in your favor with our **MODEX™ Tenant Improvement (TI) prefabricated assemblies**.
The MODEx™ system is designed to eliminate waste and save you time and money!

Prefabricated assemblies arrive within days.
Units install in a few simple steps. And cleanup is a breeze!
